HELP NEEDED TO WEATHERIZE HOMES

MISSOULA—

Montana Campus Compact's Campus Corps program is recruiting students to help weatherize homes across the state.

The Campus Corps program will join state Human Resource Development Councils and the Office of the Governor in weatherization efforts designed to help decrease ever-increasing costs of energy for Montana homeowners.

Students who volunteer for the Campus Corps weatherization program will be trained in a variety of methods to reduce energy use while still keeping a home warm.

If you are a college student and want to learn more about how to volunteer for the program, call Debbie Saylor at (406) 243-5177, ext. 3 or e-mail saylor@mtcompact.org.

Montana Campus Compact, based at The University of Montana, is a statewide nonprofit organization committed to fostering a renewed vision for higher education that supports civic engagement activities.

For more information about MTCC, go online to <http://www.mtcompact.org>.
